Requests that, in the circumstances explained, he may be granted a deputation allowance of 20 per cent of his Salary during the period of his special duty in connection with the Study of the System of the Record of Rights prevailing in the Bombay Presidency, and that he may be permitted to halt with his establishment during his special duty for more than 10 days at any one particular place according to the need of the work.

The proposals are for orders. Both requests may be sanctioned. Draft may be submitted

The second of the requests may be sanctioned - When the deputation was sanctioned the idea was not to give any deputation allowance. If Mr Hebbar wishes to draw travelling allowance for the full period of his absence it does not seem to be necessary to give him a deputation allowance in addition
